| 10. require   | 20. spiral      |

# Number of Occurrences of 'Love' per Chapter

The pattern usage of 'love' throughout the book is interesting because it became more frequent towards the end of the book as Siddhartha approached the end of his journey of self discovery.

“

Interesting Quote from Chapter 12:

*Searching means: having a goal. But finding means: being free, being open, having no goal. You, oh venerable one, are perhaps indeed a searcher, because, striving for your goal, there are many things you don't see, which are directly in front of your eyes.*

“

**Randomly Generated Sentence:**

*The childlike person? And full height,  
"when I had believed his hatred and  
crocodiles, of Buddha, as most  
embarrassing parts,*
